ASSESSMENT QUESTIONNAIRE RESULTS OF THE SECOND STAGE OF PROJECT
ACTIVITIES, "I KNOW MYSELF, DON'T I?"

This poll was applied to **73** students at the beginning of the step “**A.2 – I Know Myself, Don’t I?**” The aim was twofold: First aim was to draw their attention on this step as a preliminary preparation, and secondly, to assess their perception of the physical attributions of their body parts. This poll also functions as a self-assessment test.
